

State Budget 2007/08 Information Sheet

Aged Care

WACOSS' Recommendation	Budget Outcome	Comments
Fund the non-government sector to deliver transition care programs for elderly people.	Government to commence implementation of transitional care programs in the mid-west, south-west and great southern regions of Western Australia. No specific information provided.	WACOSS are awaiting further details about the extent and nature of funding for the commencement of these programs.
Ensure that eligibility for the Community Aids and Equipment scheme is again made available to people in receipt of Commonwealth Aged Care funding.	Not detailed in the budget papers.	The Disability Services Commission understands that the scheme's funding arrangements will remain the same.
