

Fundraising, Donations, Philanthropy and Submission Writing

This workshop will cover everything you wanted to know about where to look for funds and grants for not-for-profit groups.

Explore the various methods for working smartly and being strategic in how you raise funds in an effort to secure the financial survival of your organisation. Fundraising is a changing dynamic. With more and more services looking for support, organisations need to work smart and be strategic in how they approach their financial survival.

What does it cover?

- Determining Resources & Funding Needs
- Types of Funding & Grants Available
- Developing a fundraising Strategy
- Why, how and what of business community partnerships
- Negotiating Sponsorship Agreements
