2010 Community Services Excellence Awards Gala Dinner

Recognising the Western Australian Community Services Sector

The Community Services Excellence Awards seek to recognise the contribution made by the many thousands of outstanding organisations working within the Western Australian community services sector that are helping to shape, strengthen and inspire our community.

For the first time we are providing organisations with the opportunity to support their industry peers by voting for their most outstanding entrant from across the finalists of the 2010 Community Services Excellence Awards. The winner, as voted by you, will be recognised and rewarded with a HESTA Sector's Choice Award and receive a Lotterywest grant of $5000!

Winners will be announced at the Gala Awards Presentation and Dinner, held on the first night of the WACOSS conference, Thursday 13 May.
We hope you can join us to celebrate the awards and enjoy, a three course sit down meal, overlooking the Swan River. Co-hosted by Karen Tighe and Glenn Mitchell the ceremony will feature profiles of some of the most innovative, inspiring community sector organisations from around the State.

The Community Services Excellence Awards are the result of a partnership between the Western Australian Government through the Department of Communities, and WACOSS.
