Recognising Community Contributions

The WA Council of Social Service in partnership with the Department of Local Government and Communities is presenting the sixth Community Service Excellence Awards.

“The awards are designed to acknowledge and showcase the contribution made by the hard working and dedicated people and organisations in the community services sector who strive to make a difference in our community,” said Irina Cattalini, WACOSS CEO.

“The awards provide an opportunity for organisations to showcase the many innovative programs and services within the various sectors of the community,” she said.

Nominations are closing on **Friday, 18th March 2016** so it’s imperative organisations quickly lodge their organisation’s nomination before the deadline.

In addition to previous years’ categories, these awards have seen the introduction of three new awards for: Outstanding Commitment to Citizen Empowerment; Outstanding Commitment to Reconciliation; and Local Government and Communities Collaboration.

Award winners will be announced and celebrated at a gala ceremony and dinner on the first night of the 2016 WACOSS Conference on 4th May 2016.
