## BOOK NOW! Emerging Issues 1st April

WACOSS is holding its third annual Emerging Issues Seminar on Friday 1st April 2011. Following on from the highly successful 2010 event the seminar will provide a comprehensive overview of the most important emerging trends and issues that will affect the community services sector in 2011. The seminar covers five key topic areas: social, political, economic, environment and service delivery. Delivered by WACOSS senior staff and guest speakers, the seminar provides detailed up-to-date information which assists all organisations in planning for and responding to these critical issues.

Respected former ABC political commentator **PETER KENNEDY** will provide expert comments on emerging political trends that will impact on the community sector.

Peter will be joined by **NICKY CUSWORTH**, Deputy Director General, Strategic Policy Department of State Development who will provide an overview of the likely impact of the resources boom and associated emerging economic issues.
